16. Do you participate in AKC sports or events? If so, which ones?

17. Do you plan to breed?

Mark only one oval.

☐ Yes

☐ No

18. I require males to be at least 12 months old and females 18 months old with clear OFA testing prior to breeding. Embark or other genetic testing is recommended. Breeding prospects will be co-owned until they reach 5 years old. Can you abide by these requirements?

Mark only one oval.

☐ Yes

☐ No

19. What is your experience breeding dogs?

A study by Frontiers in Veterinary Science has evaluated the long term health of popular breeds in relation to when they were spayed or neutered. With Dachshunds, they found males do best if altered after 6 months and females after 12 months.

20. Are you capable of preventing unplanned litters while following the recommended age limit? How do you plan to prevent them?

21. Please tell me about your lifestyle and the type of temperament you are seeking in a puppy.
